

DOC Minister Status Code Migration

Created by Alex Clay, last modified just a moment ago

Migrating Codes

As part of the [DOC Regional Electronic Ministerial Sync](#) system introduced in CDM+ 9.3, CDM+ 9.3.6 replaces three fields that previously allowed regions to track any value with lists that are controlled by the OCV:

- Standing Code
- Ethnic Code
- Professional Code

After updating to CDM+ 9.3.6, a DOC region will see these changes to their minister records:

1. There will be new individual group types for:
 - a. DOC Migrated Ethnic Codes
 - b. DOC Migrated Professional Codes
 - c. DOC Migrated Standing Codes
2. Each group type will have groups for codes that do not exist in the general database
3. Each individual with a standing or professional code that does not link to the DOC general database will be enrolled in the corresponding migrated group
4. All individuals with ethnic codes will be enrolled in a corresponding migrated ethnic code
5. Individuals with a professional or standing code that exists in the DOC General database will be linked to that code

Linking migrated codes to official codes

The challenge is to link ministers with standing, ethnic, or professional codes that do not exist in the DOC General system to the valid codes. Please contact CDM+ Support for help with this migration.

Minister Check List report

Prior to CDM+ 9.3.6, there was a **Minister Check List** report available under **Reports -> Membership Reports -> Listings -> Minister Check List**. The report looked like this:

PIN	DLX	M/F	E/C	PCC	Name/Address	City	State	Zip	Work Location(s)
					Katie Core 506 Weaver Dr.	Goldboro	NC	27530	
	F				Sheila Core 4000 Tate Creek Road #4500	Lexington	KY	40517	
	M				Charles Corey 2680 Grimes Road	Robersonville	NC	27871	
	F				Mary Kate Corey 106 Kirby Drive	Greenville	NC	27858	
	M				Bus Corrier 113 Angie Drive	Goldboro	NC	27530	
	F				Ashleigh Cornelius 117 N. Ravenwood Lane	Belhaven	NC	27810	
	M				Joseph Cornelius 117 N. Ravenwood Lane	Belhaven	NC	27810	
	F				Tracy Cornell 136 Fraizer Creek Rd	Winston-Salem	NC	27105	
	M				Devon Coppening 619 Campbell Street	Wilmington	NC	28401	

Because we now allow multiple Ethnic Codes, this report needed to be updated to display more data in the **E/C** column. Rather than redesign this simple listing report, development elected to remove it. Regions can produce this report using the **Individual Custom Listing** with these columns:

- Minister PIN

- Standing Code
- Gender
- Ethnic Codes
- Professional Code
- Full Individual Name
- Address Block
- Church Position
